

A close-up, artistic photograph of a woman's eye. The eye is light blue with a shimmering, iridescent quality. It is heavily lined with dark red or burgundy eye makeup. The woman's hair is dark and voluminous, framing the eye. A piece of gold foil or shimmering fabric is visible on the right side, partially covering the eye and adding a textured, metallic element to the composition. The lighting is soft and focused on the eye, creating a dramatic and intimate feel.
